

## eAcademy updated with more videos

We are very happy to announce that members of EACTA can now enjoy 3 more lectures at the online membership area. The theme is **VAD Management: EACTA Masterclass** and are recorded at the Annual Congress in Berlin this year. A big thank you to the 3 speakers; Martin Bernandi, Nandor Marczin and Lee Feddy. We hope you will enjoy the lectures and have advantage of it. Click [here](#) to login at your membership area and watch the videos.

Furthermore EACTA has launched a **YouTube Account** where you can watch teasers for the VAD Management courses. Click [here](#) to go directly to the YouTube Account.

**ECHO Course** in Valencia is soon coming up on September 30 – October 3 and we are looking so much forward for outstanding scientific and educational content focused on **echocardiography in cardiovascular anaesthesia**. 4 exiting courses to choose; Basic, Advanced, Certification and Hands-on Training. See the full programme [here](#).

If you have not signed up yet, you can still register at this [link](#) – and remember reduced fee for EACTA members.

Click [here](#) to become an EACTA member and enjoy the benefits.

We look forward welcoming all of you who are coming to ECHO Course in Valencia and wish everyone a nice weekend.

Best greetings from the EACTA Executive Office

**Bodil Steen Rasmussen**

President of EACTA

### VISION

*To be the leading European Association for professionals working in cardiothoracic and vascular anaesthesia, intensive care and perioperative medicine*

### MISSION

*To ensure excellence in health care by providing high quality education, promoting research and encouraging teamwork*
